Subject: Call for resources: America Recycles workgroups request
Attachments: ATT00001.txt; USCCF Online Portal_Call For Resourcesv2.docx

Dear America Recycles working group participants,

On behalf of the infrastructure steering committee, **I'm requesting your help with resources collection and aggregation for the online recycling and recovery clearinghouse the U.S. Chamber of Commerce Foundation is developing.** To make this process as effective as possible between now and mid-November in preparation for America Recycles Week, we have created a google link with the information needed for incorporation. That link is embedded in the attached *Call for Resources* document and linked here again for reference –

We are requesting that available resources be added in by November 6. Please reach out to Randy Hartman (KAB), Billy Johnson (ISRI), or myself with any questions meanwhile.

Many thanks,
Stephanie
